Important Information

- **First Destination Survey (FDS)**

The First Destination Survey (FDS) is a national survey that is meant to gain knowledge about what activities students are engaging in after graduation from college. The information gained from the survey helps to determine

institution effectiveness and provide data for reporting needs, to enhance UIS academic offerings, and support career exploration for current and future students. Prior to graduation day, you will receive emails with additional information and be asked to complete the Outcomes Survey. By completing the survey, you will qualify to win a variety of prizes including iPads and gift cards. For further information, you may visit the [UIS Career Development website](#).

Starting Your Affordable Legacy

For the sake of those who follow, start your affordable legacy.

- Congratulations on your achievement, and best wishes for the future. As you go forward, please consider helping those who follow with your contributions to the UIS program of your choice. Future graduates will thank you!
- You can find many wonderful giving opportunities available at any level of giving on the [Office of Advancement](#) website. Use the "Choose Where to Give" tab at the top to see a list of many opportunities. The UIS Fund, which

provides support for programs and students throughout campus, is always an excellent choice.

- You'll be receiving updates from the Office of Advancement with campus stories of students and special opportunities for giving.
- If you have questions, please feel free to call us at (217) 206-6058.
